The Paradoxist Summit of Transportation

Cárguelo hasta los topes, póngalo a más de 140 y sabrá por qué lo llamamos Especial.

Con toda la familia, lleno de equipaje, en carretera o en ciudad, pídale que suba, adelante o alcance más de 140 por hora. No hay problema.

Con sus 52 CV (DIN) y su peso perfectamente adecuado a la potencia del motor, el Seat 850 Especial puede superar las pruebas más difíciles.

Compruébelo. Y no le importe pisarle a fondo, lleva frenos de disco.

Seat 850 Especial, todo un 850.
